of participants were girls

CHALLENGES

Games and fun activities were used to ask children about the biggest challenges they face. CWB will use this information to inform future projects, and shared it with UNHCR to help them plan their programming.

Fear
Violence

Inadequate play facilities
Transportation to schools

Lack of support
Insecurity in the school environment
Abuse of Syrians

٨ - الامتحانات دورا بعض
٩ - الدوام بمرضاة
١٠ - العنصرية / تعامل السي
١١ - استفادهم لفتح لبريات
١٢ - االاعمال المربنة

The cricket is a new sport, they know about it now in this area, they are very excited, they are very happy, and ask if you can come back again.

- UNHCR Community Officer

This game breaks down the wall between the teacher and the student to understand their children more.
